

Stop Trashing Houston heavy trash and illegal dumping signs now available!

Let your neighbors know when heavy trash day is scheduled. Yard signs indicating the appropriate day are available for pick up. Each neighborhood is limited to five (5) signs.

You can place them at the entrances to your neighborhood, but not in the City's right-of-way including esplanades. When you pick up your sign simply add the metal legs and the appropriate stickers denoting your heavy trash day and week number.

Permanent metal signs are also available for pickup warning against illegal dumping. These signs are to be placed on private property where the property owner lives adjacent to a vacant lot where dumping is a problem. The sign basically sends a warning message to illegal dumpers that the area is monitored (by the neighborhood). **Limit: 20 per neighborhood.**

Heavy Trash Sign

Illegal Dumping Sign

We only have a limited number of both types of signs, so be sure to get your signs now!

Signs can be picked up at the:

- **City of Houston Solid Waste Department**
1245 Judiway (between Ella and East T.C. Jester)
Contact person: Michele Jones, 713-685-4247
8:00 a.m. to 4:00 p.m. Monday through Friday (except for holidays)
- **City of Houston Solid Waste Recycling Center**
5900 Westpark
9:00 a.m. to 4:00 p.m. Monday through Thursday (except for holidays)

Feel free to also pick up a handful of Stop Trashing Houston bumper stickers and decals. There are also door hangers which can be marked and distributed to your community as well.

If you need additional signs, door hangers or other material or cannot get to the Judiway or Westpark location, please contact Paul Voltz at 713-837-7710.
